GRESHAM WOMAN'S CLUB GIVES PARTY

Mrs. Ward Hanigan will be hostess for a bunco party April 9th, assisted by Mmes. DeGraaf, Campeache, Morelock, Bailey, Smithson and Calto. This is another of the series of parties given by the Gresham Woman's Club for Oakhaven.

On April 13th at 1:30 p. m. Mrs. Morris Natelburg, 8311 Sangamon St., will be hostess for a bunco party, assisted by Mmes. Johnson, Peterson, Shenkel and others.

The Gresham Woman's Club felt at loss at their meeting of Friday, April 1st, for their president, Mrs. Combs, of 7738 Green St., was unable to attend owing to the fact that her husband met with an accident Thursday, March 31st. All are hoping for a speedy recovery.

BUTTER AND EGGS HIT LOW PRICE LEVEL

The best creamery butter sold for 49 cents retail and the best eggs for 30 cents last Saturday, the lowest prices in five years.

The wholesale price of eggs, 22½ cents, was the lowest here for years. A year ago eggs for Easter cost 67 cents for strictly fresh and 60 cents for cold storage.

We desire to thank the many readers of this paper for their recommendations and many new customers they have sent to our Individual Family Service Department, thereby enabling it to become the great success it has. Brewster Laundry.

Pianos tuned, $1.75. Repairing. Kiesling, 7330 Lowe Ave. Stewart 4425.

RESULT OF PRIZE CONTEST ANNOUNCED

Two weeks ago, in the columns of this paper, a prize contest was announced by Moore & Howard, the energetic distributors of "Wear-Ever" Aluminum for this district. Here is the winning letter. Mrs. Neva Phillips will be the proud possessor of one of their sets of Wear-Ever Aluminum.

March 25th, 1921.

Moore & Howard,
8546 Peoria St.,
Chicago, Illinois.

Dear Sirs:

Efficiency is the watchword of the woman of today and nowhere is it more needed than in the kitchen. The best cooking utensils are essential.

"Wear-Ever" is made in one quality—the best—and sold with the broadest guarantee for lasting service. It is durable, easily cleaned, takes heat quickly, spreads it evenly and needs little fuel to hold heat.

The joy of owning the necessary aluminum utensils may be gratified by joining your "Wear-Ever" Club, paying the small sum of one dollar a week with the added chance of winning choice prizes, and your kitchen is soon fully equipped.

Yours respectfully,
MRS. NEVA PHILLIPS,
8053 Loomis St.

Stewart 1991.

The labor and worry of spring housecleaning is lightened if you will depend upon the Individual Family Service Department of the Brewster Laundry. Anything washable may be sent and will be returned the second day, beautifully clean, everything dried, and all flat pieces ironed, 25 pounds $2.25. Phones Wentworth 273 and 3791.

Gray hair restored to natural color. Mrs. Gitzen, 6329 Ashland Ave. Prospect 1436.

If you want exclusive styles and form-fitting clothes at lowest prices, visit Gus Bovik, 7617 Green St. Ground floor, rear entrance.

Thinnest, quickest drying, easiest spreading black enamel, sets up, prevents rust. On stoves, pipes, etc., shines itself. Will not wash off. On window and door screens cannot fill the mesh. Lasts for years. Fine for autos where a black finish desired on iron, wood or leather. Dries quickly. If your dealer hasn't 6-5-4 ask.

FOOLED ON OWN APRIL FOOL JOKE

The "April Fool" sign that hung on a pole in front of the University of Chicago gymnasium after a basket ball game April 2nd is down tonight.

The sign looked like a neat turn of wit, when it was put in the front seat of the automobile in which William and Harry Burmeister of 7537 Oglesby Ave., Jack Noble of 7612 Yates Ave. and Ralph Moline of 7612 Yates Ave. rode to the gymnasium.

They had taken the spark plug out of the engine, you see. The "April Fool" sign was for anyone who might try to steal the bus.

When the game was finished the boys returned to where they parked their machine. It was gone. The sign they had lettered was dangling from a telephone pole. The boys hiked to the Hyde Park police station and borrowed carfare from the desk sergeant.

DEMAND HEAVY FOR TICKETS TO THE RITA REVUE

Members and Friends Active in Boosting for St. Rita Council

The Rita Revue, the musical production being presented by St. Rita Council, Knights of Columbus, on Wednesday, Thursday and Friday evenings, April 13th, 14th and 15th at Rita Auditorium, 62nd St. and Washtenaw Ave., promises to be the biggest event of its kind ever produced on the south side. The fact that it is given by one of the most active units of the Knights of Columbus in Chicago, also the youngest, has caused widespread interest throughout the city. The greatest demand for tickets up to this time has come from Englewood, West Englewood, Marquette Manor and Chicago Lawn. While the figures are not accurately available it is believed that Wednesday evening tickets have all been sold. If found necessary additional seating room will be provided. Price of tickets will be 75 cents.

Director Brennan reports progress with rehearsals is beyond expectations and predicts that this will be the finest show he has ever directed.

Among those who will take solo parts in the Rita Revue are: Walter R. Burns, John P. Forde, Thos. Costello, Chas. F. McKenna, Matt Schleder, John Tobin, Misses Sarah P. Garvey, Florence Haag, Margaret Moriarity, Mary Tobin and Florence Tenney.

PAGEANT OF PROGRESS EXPOSITION DEVELOPS

The close of the third week of actual space selling for the great Pageant of Progress exposition to be held on Chicago's $5,000,000 municipal pier July 30 to Aug. 14 finds twelve of the sixteen sections into which the pier has been divided virtually sold out.

Tentative applications sufficient to fill the other four sections have been received by Henry J. Kramer, business manager of the exposition. Eliminating a few duplications which may occur it is expected that it will be necessary to close the applications within a week and allot spaces to those already in.

The greatest single exhibit, apart from the health and sanitation exhibition to be put on by Dr. John Dill Robertson, health commissioner of Chicago, will be that of transportation. Charles S. Rieman of the Elgin Motor Car Corporation, chairman of the automotive section, reported to Mayor Thompson last Saturday that he has sold two complete sections to the pleasure automobile, tractor, truck and aeroplane manufacturers and dealers, and asked that another section be reserved for him if possible.

In addition to the individual exhibits in the automotive or transportation division, the exhibitors plan to collaborate on a collective exhibit portraying the history of transportation, from the crude pack in which the Indian mother carried her pappoose, through the days of the oxcart, the solid-wheeled wagon, the first steam train, the automobile, to the present day of the high-speed motor car and the passenger and freight carrying aeroplane.

"The advance of civilization is marked by the development of transportation," said Mr. Rieman. "Our exhibit will present that forcefully, illustrating in an educational manner how civilization spread as highways were built and means of transporting man and his chattels were created."

Races between Chicago and several other cities, in which homing pigeons will compete with high speed aeroplanes piloted by army and United States mail flyers, are to be promoted by the transportation experts to show how man has surmounted the difficulties of aerial navigation.

The great textile manufacturers of the east and the retail stores of Chicago will present an exhibit which will show the various processes which silk, wool and cotton, the chief materials from which clothing is made, pass through between the raw material and the finished garments.

Fur manufacturers and dealers have reserved a section to present an exhibit of their wares, showing the various stages of manufacture and winding up with a style show displaying the finished garments on live models.

The furniture and home furnishings manufacturers and dealers also have taken a section. The real estate and building materials men have another section in which, in addition to individual exhibits, will be shown the styles in homes since the first man left his tree top and dug himself a cave in some overhanging cliff until he again became a cliff dweller on the top floor of one of the modern apartment buildings.

Paper products manufacturers, shoe manufacturers and dealers, milk distributors, the big utility companies, florists and horticulturists, the Illinois Manufacturers' Association, advertising men and representatives of nearly every line of business and industry have reserved space.

A baby show in which the healthiest and happiest youngsters of Michigan, Indiana, Illinois, Wisconsin and Iowa will compete for the championship of the middle west is being promoted by the Chicago Herald and Examiner as a feature of the health and sanitation exhibition in which Dr. Robertson is going to try to educate every visitor to the actual cash value of good health. Statistics show that the average wage earner loses seventeen working days a year from actual illness or ill health. "This can be cut to ten days in a year," says Dr. Robertson, "and next year we'll try to cut it some more."

"This exposition offers an unparalleled opportunity for the business man and manufacturer to advertise his wares. I believe," said Mayor Thompson after reviewing the enthusiastic demand for exhibition space in the past week, "two or three million people will see this show, at a conservative estimate. It will stimulate business, and stimulating business will reduce unemployment. It will eventually mean that Chicago will have to erect a great exposition building in which the manufacturers of the world can hold a year-around exposition to present their products to the millions of desirable visitors that come here each year."

An amusement program of unusual merit is being arranged. Sheldon Clark, commodore of the Chicago Yacht Club, has already arranged for several days' races between the fastest hydroplanes in America. Swimming races and other aquatic sports, baseball, group singing and many other events are planned, and committees to handle this end of the exposition will be named as soon as the space is allotted to exhibitors.

CALUMET-AUBURN PK. P.-T. ASSOCIATION

The next meeting of the Calumet-Auburn Park Parent-Teacher Association will be held in the high school building, 81st St. and Normal Ave., Wednesday, April 6, promptly at 3 p. m. Miss Ada Whitcomb, who is in charge of the juvenile department in the public library, will speak on "Reading for High School Pupils." This is a topic of vital importance to every mother who has children of high school age, and every one who is interested is cordially invited to attend, whether they are members of the association or not.

To the Business Men of Gresham:

Your assistance in helping to boost the band concert and dance given at the Ryder school on Thursday evening, April 7th, by the Roseland Concert Band and Perkins' Dance Orchestra, by your attendance and by telling your friends, will be greatly appreciated by the Community Center Music Committee, who have charge and are working hard to make this a pleasant time for all, and at a price within the reach of all. The success of this concert and dance depends upon the hearty support of the people of Gresham for whom it is given.

Let young and old enjoy the concert, from 7:30 to 8:30; twenty minutes intermission, and then the dance.

Thanking you for time spent in reading these few lines, and trusting you will be present, we beg to remain, respectfully yours,

H. D. Perkins,

AUBURN PARK PERSONALS

The Calumet-Auburn Park Parent-Teacher Association held its monthly meeting last Wednesday afternoon. Miss Ada Whitcomb, in charge of the juvenile public library department, was the principal speaker.

The automobile of Albert Friebis, 8150 Sangamon St., was stolen recently.

Alexander Anderson, 6959 Calumet Ave., also reported his automobile stolen.

Mrs. Crystal Coffman, of 103rd St., recently routed bandits from her home with a revolver.

George Chappas, 9944 Indiana Ave., was shot in the left leg while struggling for possession of a revolver with his big brother last week.

Penny social given by the Daughters of Isabella, Calumet Circle, will be held at K. of C. hall, 62nd and Cottage Grove Ave., soon.

What everyone is waiting for—the best dance of the season will be given at Auburn Masonic Hall, 78th St. and Union Ave., on Friday evening, May 13th, by the Rambler Rose Social Club.

Mr. Christopher Teaney, formerly of 7239 Princeton Ave., died at his home on last Sunday. He was buried on Wednesday from St. Carthage church with interment at Calvary. He leaves seven daughters and four sons.

Miss Irene Bienhoff of 8538 Carpenter St., who was operated on for appendicitis at St. Bernard's hospital last Saturday, is improving nicely.

Kenneth Hulden, the 14-year-old son of Charles and the late Christiana, died at his home, 7813 Aberdeen St., on Sunday. He was buried on Tuesday, and the interment was held at Oakhill.

Don't miss the big time at St. Kilian's young ladies' dance, 63rd and Harvard, on April 15th. Music by Sturner.

CARE OF TEETH

By Dr. H. N. Novy

All questions relative to the care of teeth, mouth hygiene, etc., if of general interest, will be answered in this column. When space will not permit, letters will be personally answered.

Rubber Sore Mouths

A severe inflammation of the mucous membrane or lining of the mouth may follow the constant pressure or friction of an artificial plate upon the membrane. Vulcanite plates that are not smooth upon the inner surfaces may cause severe irritation. Plates that are too high or long may sometimes sink into tissues and form pockets in which infective material may collect and cause considerable trouble. To prevent this, if the patient will mark with pencil the point of the plate which is causing the trouble and try to remember whether "inside" or "outside," and then to scrape slightly, a great deal of pain and suffering would be eliminated. Following this scraping the patient should not wear plate for a reasonable length of time to allow for healing of sore spots. Any good healing mouth wash will hasten relief.

I am troubled with canker sores in my mouth. What causes them and what can I do to prevent their coming again?—A. S.

The canker sore is a common affection of the mouth caused by a fungus or organism with a long name, which name if mentioned would mean nothing to you. The canker sore is sometimes caused from acute indigestion or dyspepsia. Any stomach disorder may bring this cankerous condition about and even sometimes sucking a hard piece of candy or eating the crust of bread may irritate the tissue of the mouth sufficiently to cause canker sores. The specific organism that causes the canker sore usually thrives in unclean mouths—so to combat this fungus one would have to keep the mouth very clean and regulate diet and bowels.

Hydrogen peroxide applied with cotton upon the sore spots about three times a day will generally clear up cankers in a surprisingly short time. With this treatment use any good mouth wash consistently.

REPORTS ROBBERY

Mrs. Louise Elston, 7232 St. Lawrence Ave., reported to the Grand Crossing police that she was held up and robbed of a diamond ring valued at $750 recently.

A concert will be given Tuesday evening, April 12th, at Calvary Methodist church, under the auspices of the Ladies' Aid Society. The program will be given by Miss Mildred Rodiger, contralto, Miss Gretchen Cox, violinist, and Master Billie Ellfelt, boy pianist. Tickets will be 50c for adults and 25c for children.

Announcement has been made by the president of the Auburn Park Business Men's Association that he has arranged to bring to Auburn Park an illustrated lecture on retail merchandising. The lecture, together with a feature film, "Getting the Most Out of Retailing," will be given Wednesday night at 8 o'clock in Oglesby School assembly hall. Mr. Farley, representative of the National Cash Register Company, of Dayton, Ohio, will give the lecture.

The lecture deals with the value of newspaper advertising to the merchant, tells him how to prepare advertisements, and also explains in detail the best methods of window display, store organization, personal selling, and business control.

The film tells the story of a merchant who was discouraged and disheartened because he was not successful. The story shows the indifference of his clerks, his bad system, poorly arranged stock, and other causes of trouble. How he finally rose to success and prosperity through modern methods is shown in the film.

Many ideas of importance to merchants and clerks will be brought out. In other communities where it has been shown, it has met with great enthusiasm. It is expected that every business man and clerk in the city will attend.

The next regular meeting of the Charles J. Kickham council of the American Association for the Recognition of the Irish Republic will be held Tuesday evening, April 12, 8 p. m. sharp, at St. Leo's Auditorium. In view of the fact that this is the married ladies' mission week it is suggested that the ladies arrange to meet their husbands at this meeting after church services. An able speaker will address the meeting and a very interesting and enjoyable program has been arranged for this occasion. It is only by our presence at these meetings that we can assist the oppressed people of Ireland in their heroic struggle for freedom.

Don't Overlook These Things

They cost a little more, but you'll find them worth to you far more than they cost. You know in the average case your plumbing is like a wife. You're going to have to live a long time with what you get, and the comfort and satisfaction you'll find will depend on reliable service and low cost and upkeep.

What are we referring to? Why, High Grade Brass Goods, High Grade Fixtures, Up-to-Date Cellar Drainage and Skilled Workmanship. These all finally cost less than those you may hunt up and buy because they are "cheap."

You'll find it pays to take our advice and use our service.
